Acting Executive Headteacher : Mrs F Craik

04 February 2021

Dear Parent / Carer

On Monday we are launching our 'No Screen, Just be a Teen' initiative. This is to encourage time away from the computer screen to explore different cultural and creative experiences.

In response to consultation with parents and the limited opportunity for extra curricular activities, we have carefully planned the following programme of events:

Monday	9.55 – 10.25am	STEM Activities
Tuesday	9.55 – 10.25am	Story Time
Wednesday	9.55 – 10.25am	Living History
Thursday	9.55 – 10.25am	Active Wildlife
Friday	9.55 – 10.25am	Music / Art

In order for us to facilitate this programme Period 1 will now be 9.10 – 9.55am and Period 2 will begin at 10.25 – 11.10am, followed by break.

Your child will find the instructions for each day in their House Teams.

Please encourage your son / daughter to move away from their computer and participate.

To celebrate their experiences we would encourage them to post pictures of their activities on their House Teams to share with our community.

This week we have begun our calls to parents and carers to continue our strong links with our school community in these difficult times. Please contact Heads of House if you have any concerns you would like to discuss.

Many thanks for your continued support

Kind Regards

Mrs F Cessford
Acting Head of School
