

Flame  
4<sup>th</sup> March 2023

Wembley Arena

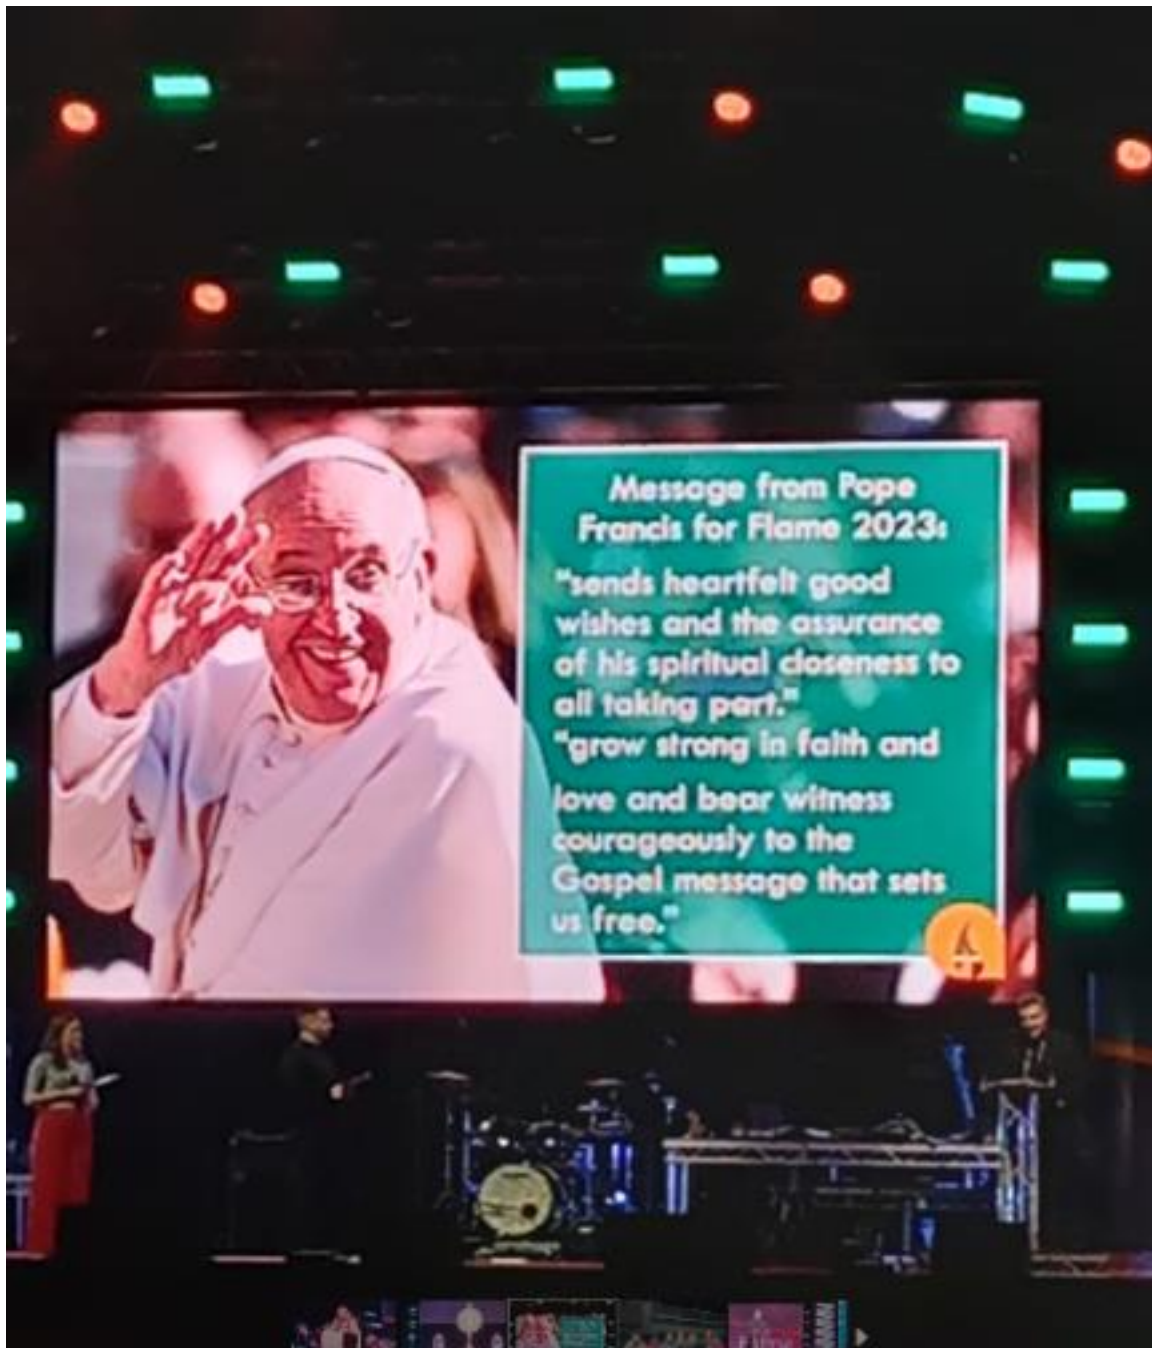

Some of our students travelled to Wembley Arena to take part in the CYMFED Flame Congress.

It was a full programme with talks from Archbishop Tim Costello from Perth, David Wells and Robert Bilott and Cardinal Tagle as well as a message from Ant and Dec. They also took part in an opening liturgy and adoration at the end.

They also heard music from Adenike, One Hope Project, Faith Child and Guvna B.

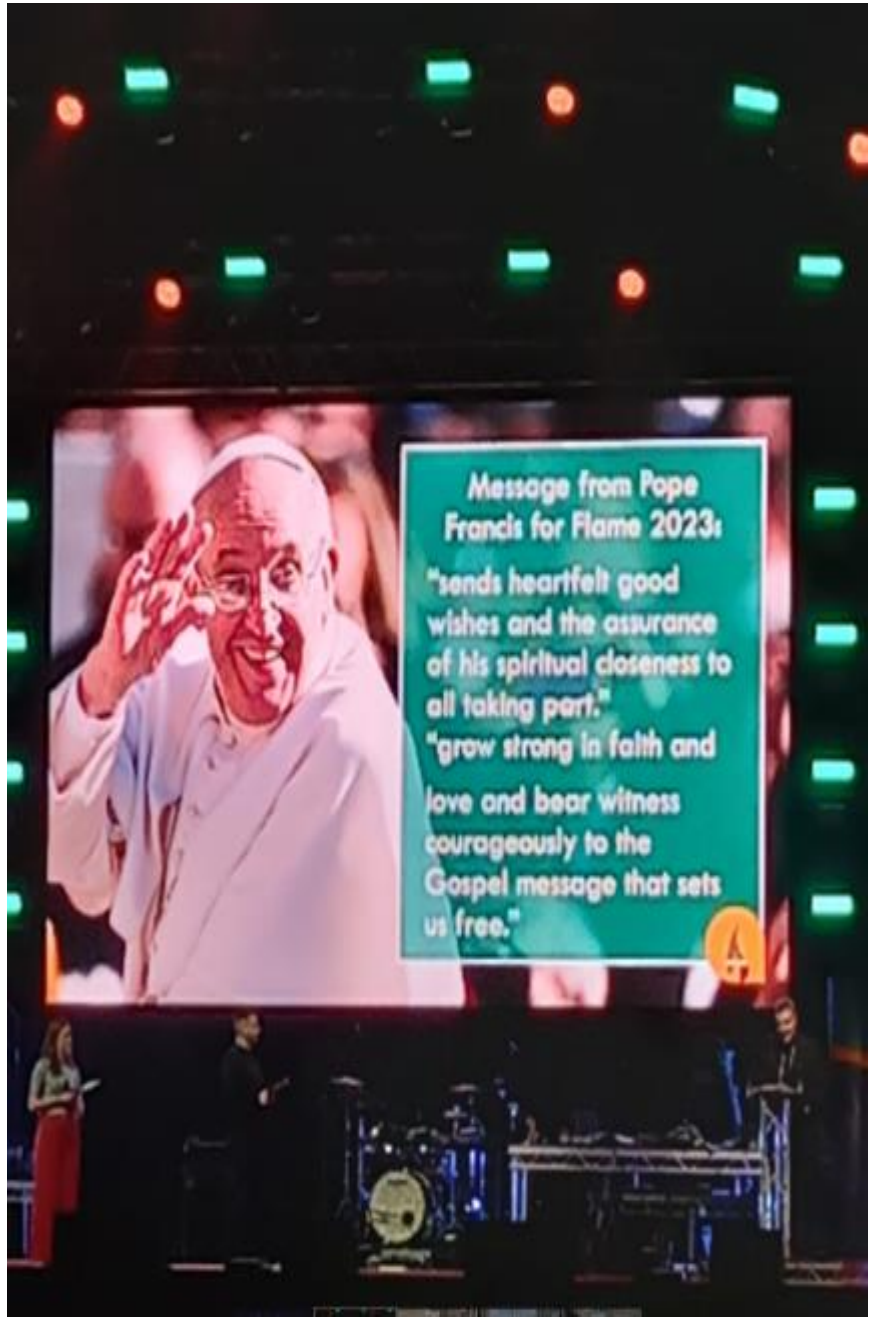

They learnt that none of us are insignificant and that we all have our part to play in making the world a better place to be.

The next Flame congress will be Saturday 15<sup>th</sup> March 2025.

**Message from Pope Francis for Flame 2023:**  
"sends heartfelt good wishes and the assurance of his spiritual closeness to all taking part."  
"grow strong in faith and love and bear witness courageously to the Gospel message that sets us free."
