

# Charitable Support

## 2022 - 2023

We have carried out a pupil voice survey to let the students choose which charities they would like to support next year.

They have chosen the following charities.

Local - Dog's trust, dog's charity

National - Macmillan Cancer

International - CAFOD - to support countries in need.

If any parents would like to offer their help to fundraise or would like to help with any fundraising activities please let Mrs Ball know as soon as possible.
