## Morning Prayer

O Lord, giver of life and source of  
freedom,

I know that all I have received is from  
your hand.

Gracious and loving God, You call us to be  
stewards of Your abundance, the  
caretakers of all you have entrusted to us.

Help us to always use Your gifts wisely  
and teach us to share them generously.

Amen

Pope Francis has made great efforts to encourage all people to be mindful of the impact their actions have on the planet and thus on others.

He has urged people not to treat the world like a rubbish dump but to use the earth's resources wisely, not to consume more than we need, to throw away less and recycle more.

These lessons he laid out most clearly in a special letter (a Papal encyclical). In this letter, entitled *Laudato Si'*, the Holy Father reminded the world that we all need to do what we can to take care of our common home.

If we do not, the risk of global warming and conflict increases, as people struggle to gain access to water, food and safe places to live in.

# Morning Prayer – The Lord's Prayer

Our Father  
Who art in Heaven  
Hallowed be Thy name;  
Thy Kingdom come,  
Thy will be done  
On earth as it is in Heaven.  
Give us this day our daily bread;  
and forgive us our trespasses  
As we forgive those  
who trespass against us;  
and lead us not into temptation,  
But deliver us from evil  
Amen

And blessed is the fruit of thy womb Jesus.

St Bede: Pray for us

Friday 12<sup>th</sup> May 2023

## Morning Prayer

All-powerful God, you are present in the whole universe and in the smallest of your creatures.

Fill us with peace, that we may live as brothers and sisters, harming no one.

Teach us to discover the worth of each thing, to be filled with awe, And to recognise that we are united with the whole of creation.

We thank you for being with us each day.

Encourage us we pray, in our struggle for justice, love and peace.

Amen

Let us listen to a scripture reading from the Book of Genesis. Let us think about the lessons that we can find in passages like this. What do you think are the lessons we are to learn from this passage about how we should view the world, ourselves and others?

*Then God said: "Let us make humankind in our image, according to our likeness; and let them have dominion over the fish of the sea, and over the birds of the air, and over the cattle, and over all the wild animals of the earth, and over every creeping thing that creeps upon the earth."*

*Genesis 1:26-27*

Pope Francis has spoken to young people directly about how, through their desire to make the world a better place, they have the potential to be great missionaries of God's love.

*'With you the world can be different.*

*Unless you offer the best of yourselves, the world will never be different' - Pope Francis.*

To know how best to do this, the Holy Father and the Catholic Church encourage us to turn to the Scriptures. In the Scriptures we learn how God desires us to live.

In nomine Patris, et Filii et Spiritus Sancti. Amen

## End of Day Prayer

and to stand forever before your  
face,  
Amen
