EDUCATION SUNDAY 2022

We are in
ORDINARY time.

Education Sunday is marked this year on 11 September - just after the new academic year starts. The theme for 2022 is 'enlightening the mind', taken from Ephesians 1:17-18.

On 11 September, we pray that God will fortify those working to make our schools places of learning and sanctuary - not just teachers and leaders but all the support staff whose tireless work sometimes goes unnoticed. We pray for all our primary and secondary pupils - particularly school leavers who have had such a difficult journey in recent times - not to mention students in higher education and vocational training.

Education Sunday is an opportunity to showcase the work and fruits of Catholic schools, especially locally. From a priest speaking in his homily about a local school, to pupils wearing their uniforms at Mass, Education Sunday can be the reminder to all members of the Catholic community of the importance of education to the Catholic mission.

Dioceses rely on the generosity of the Catholic community each Education Sunday to support the work of the Catholic Education Service and education in the diocese. This makes Education Sunday a crucial event in the annual Catholic calendar
