The Feast of Christ the King

The feast of Christ the King is the final Sunday of the liturgical calendar - the last Sunday of Ordinary Time. The season of Advent begins the following Sunday. In the Catholic Church it is a Holy Day of Obligation and priests wear white.

The purpose of this feast is to draw our minds and hearts closer to acknowledging the authority and sovereignty of Christ in a society that often forgets or denies His power and kingship. The reign of Christ does not refer to an earthly power but a divine one. There are many references to Christ as King in the Bible. In Revelation (19:16) Jesus is referred to as "King of Kings and Lord of Lords."

*Christ our King,
help us to be like you, to
listen to your truth and to
see that all people are
important,
no matter who they are or
where they come from.
Amen.*

World Youth Day

A group of four young people are sitting outdoors on a concrete surface, laughing and talking. From left to right: a woman with curly hair and sunglasses, a woman with red sunglasses and braids, a woman in a purple puffer jacket, and a man in a green beanie. The scene is bright and sunny.

What is the BEST thing about being your age?

A young woman with long dark hair is sitting at a desk, resting her head on her arms. She appears to be tired or stressed. A laptop is open in front of her. The background is slightly blurred, showing a classroom or office setting.

What is the most DIFFICULT thing about being your age?

World Youth Day
