'Jesus invites us to build together a civilization of love, as his disciples and missionaries, here and now.' Pope Francis

St Bede's Catholic School is committed to promoting equality for all.

The role of the pupil equality representative is to:

- Be inspired by Jesus's words, to think about how we are all connected to each other as children of one heavenly Father.
- To challenge thinking that divides people.
- To look for ways to work together, not apart.
- To raise money for Missio and other charities to support our family around the world who live with poverty and hardship.
- To pray for those in need, those close to home and those far away.
