Dear Parents/Carers,

Thank you for your continued patience and understanding.

As you know significant parts of the school building are still out of use while we put safety measures in place. Surveyors have been on site to assess the safety of the DT block and ICT rooms 1 and 2 and have concluded with the remedial measures we have put in place these areas are now safe to use, increasing our classroom capacity from 36% to 44% of normal levels.

As of Monday 25th September (Week B), we are able to invite pupils in Year 10 into school four days per week, with Years 8 and 9 in seven days per fortnight.

The following year groups will be in school on the following days over the next two weeks:
