Baroness Barran

On Thursday the school welcomed Baroness Barran, Minister for the School System, into school. Baroness Barran met with the Mrs Frances Cessford, Headteacher, Mr Brendan Tapping, CEO of the Trust, representatives from the Department for Education and Local MP, Grahame Morris. Discussion took place on how the school had been dealing with the issue of RAAC following the Government's announcement on schools with RAAC, this was followed by a tour of the school to look at the changes that had been made to enable as much face to face teaching as possible.

Tuesday 10th October was World Mental Health Day

A day where we could talk about mental health and show everyone that mental health matters. It's also a day to let people know that it's okay to ask for help, no matter what you're going through.

As the theme of World Mental Health Day highlights 'mental health is a universal human right'

Students were invited to wear something yellow to stand out and show up for young people's mental health

Byron Sixth Form Students

Congratulations to our first university applicants of the year - Patrick, Sophie and Chloe have all submitted their applications. These students represent the diversity of courses applied for by Byron students and the exceptional standards on display. From physics to ancient history, our students are again considering a range of exciting courses at institutions all over the country. From Oxford to Edinburgh, you'll find a St Bede's and Byron undergraduate!

We can't wait to see the offers flooding in.

Medic preparation stepped up this week as our Y13 medicine hopeful, Jackson, undertook his first mock interview with a real NHS doctor. An excellent start to a gruelling process, he was cool and calm under pressure.

Byron Sixth Form offers an extensive programme of advice and preparation for medicine, dentistry and other NHS careers.

Good luck Jackson!
