

29 April 2024

Dear Parent/Carer

RAAC Update

Thank you for your continued support and understanding.

We are pleased to inform you that both contractors are now on site. Contractors will be assembling scaffolding and preparing the groundworks this week.

The community drop in event mentioned in the last update will take place on

Thursday May 9th 4pm – 6pm

Representatives from the DFE and both contractors will be here to share more details about the work.

We hope that you can join us.

Best wishes

Headteacher
