

St BEDE'S CATHOLIC SCHOOL, PETERLEE
ADMISSION POLICY 2023-24

St Bede's Roman Catholic Comprehensive School¹ was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body² as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

¹ The term 'school' is used throughout the document to mean a Catholic school or academy in the diocese.

² The term 'governing body' is used throughout to refer to the admission authority under the appropriate constitutional arrangements.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The admission policy criteria will be dealt with on an equal preference basis.

Bishop Chadwick Catholic Education Trust is the admissions authority and is responsible for determining the admission policy. The local authority coordinates the admissions process on behalf of the Trust. The administration and operation of the admission policy is delegated by the Trust to the Local Governing Committee.

Published Admission Number

The governing body has set its published admission number (PAN) at 210 pupils to year seven in the school year which begins in September 2023.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round (not in-year applications), a Common Application Form (CAF) must be completed. This is available from the local authority in which the child lives.

The parent will be advised of the outcome of the application on 1 March 2023 or the next working day, by the local authority. If the application is unsuccessful (unless the child gained a place at a school the parent ranked higher) the parent will be informed of the decision, related to the oversubscription criteria listed above, and has the right of appeal to an independent appeal panel. If the parent is required to provide supplemental evidence to support the application (e.g. a baptismal certificate), this evidence should be provided at the time of application. If not provided, evidence may be sought by the governing body following the closing date for applications. This information must have been correct at the date of closing for applications.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 31 October 2022.

Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Late Applications

Late applications will be administered in accordance with the home local authority coordinated admissions scheme. Parents are advised to ensure that the application is submitted before the closing date.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to the headteacher of the school. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Waiting Lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Applications should be made to the school by contacting School Places and Admissions at Children and Young people's service on 03000 265 904. [www.st-bedes.durham.sch.uk] Parents will be advised of the outcome of their application in writing.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

The parent has the right of appeal to an independent appeal panel.

Right of Appeal

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the diocese and the governing body for the current school year. The governing body has this power, even when admitting the child would mean exceeding the published admission number.

False evidence

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

First priority in each category will be given to children who will have an older sibling attending the school in September 2023.

1. Looked after and previously looked after children (see notes 2&3)
2. Catholic Children whose home address is within the boundaries of the parishes served by the school and who attend a Catholic feeder school (see note 3)
3. Catholic Children whose home address is outside of the boundaries of the parishes served by the school and who attend a Catholic feeder school (see note 3).
4. Catholic Children whose home address is within the boundaries of the parishes served by the school and who do not attend a Catholic feeder school. (See note 3 and 7)
5. Other Catholic children. (see note 3)
6. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
7. Other children who attend a Catholic feeder primary school.
8. Up to 21 children to be admitted on football aptitude as determined by Improtech Soccer Limited (See note 6)
9. Children of other Christian denominations whose membership is evidenced by a minister or faith leader. (see note 7)
10. Any other children.

Tie-breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school determined by the shortest distance. In assessing home to school distance the LA measures by the shortest walking route. Routes are measured from the centre point* of the child's house, or in the case of a flat from the centre point* of the building, to the nearest school site entrance. A Geographic Information System (GIS) is used to identify and measure the shortest walking route. The GIS identifies routes on the Ordnance Survey Integrated Transport Network (ITN) and Urban Paths Network (UPN), which are national recognised datasets. The LA will not include any other routes. In all cases the GIS identifies the route to be measured by connecting in a straight line the centre point* of the child's house to the closest point on the nearest route on the ITN/UPN.

* In accordance with the co-ordinates of the Basic Land and Property Unit on the National Land and Property Gazetteer.

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

Right of Appeal

Where a parent has been notified that a place is not available for a child, every effort will be made to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the Chair of Governors at the school address.

Home Address

It is the parental address which will be used in applying the admission criteria. This means that, when stating your choice of school, you should give the parental/guardian address at the time of application. The address of childminders or other family members who may share in the care of your child should not be quoted as the home address.

Waiting Lists

If your child has been refused admission, a waiting list is available. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. Waiting lists for admission will operate until the end of the Autumn term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

Application Information

Places will be allocated by strict application of the above criteria, with no reference to the date of application. Parents will be notified as to whether or not their child has been allocated a place on 1st March 2016.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to the headteacher of the school. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by the governing body for the current school year. The governing body has this power, even when admitting the child would mean exceeding the published admission number.

False Evidence

The governing body reserves the right to withdraw the offer of a place where false evidence is received.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Applications should be made to the school. [www.st-bedes.durham.sch.uk]

Parents will be advised of the outcome of their application in writing.

Where there are places available but more applications than places, the published oversubscription criteria will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

Notes and definitions

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

2. A looked after child has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A previously looked after child is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the governing body) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

1. Catholic means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

3. Catechumen means a member of the catechumenate of a Catholic Church. For the purposes of admissions this refers to the child on whose behalf the application is being made. This will normally be evidenced by a certificate of reception into the order of catechumens.

4. Eastern Christian Church includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church. Those who have difficulty obtaining written evidence of baptism or reception should contact the Diocese who will decide how the question of baptism or reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

5. Children selected on the basis of aptitude.

There are up to 21 places available in total to girls and boys who fulfil the following criteria on the basis of aptitude: The individual girls and boys must be identified by an independent professional soccer training company who is the partner provider with St Bede's Catholic School (A pupil with aptitude is one who demonstrates a particular capacity to succeed in playing soccer. In determining allocations the board of Directors will consider whether a child has an aptitude for soccer, a particular capacity to learn or to develop skills in soccer and will benefit from particular expertise and facilities in the academy).

6. Children of other Christian denominations means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

Applicants must provide a baptismal certificate or where child baptism is not practised, a letter confirming their church membership from their minister or faith leader.

7. A child's "home address" refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form ("CAF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home

address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

8. Sibling includes:

- i (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- ii (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

9. A parent means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child (having care of a child means that the child lives with and is looked after by that person).

This policy should be read in conjunction with the local authority's admission guidance for parents.
